

Remembrance Day Ceremonies 2022

This year is the 80th Anniversary of the Dieppe Raid as theme for content for this year's activities. The history can be found at: <https://www.veterans.gc.ca/eng/remembrance/wars-and-conflicts/second-world-war/battle-of-dieppe>

Please join the Association for this great opportunity to show respect for our Veterans, past and present, who have given their lives so that we may live free. Your association will be laying wreaths to honour our military at 12 Remembrance Day ceremonies across our city on Friday November 11th, 2022.

Dress will be a Poppy with Full-dress uniform, white gloves and cap with (non-shrouded badge).

The Sunrise ceremony at Prospect Cemetery starts at 8:00am and is one of the nicest ceremonies to attend. The Mayor, The Fire Chief and many other government officials will be in attendance and we encourage members to attend this service to start the day. This service ends early enough to allow attendance at a secondary ceremony if you wish too. Form up will be at 7:30am.

This year after the ceremonies all attending Toronto Firefighters and family members are invited to a reception at the Royal Canadian Legion Branch 10, located at 1083 Pape Avenue, after the ceremonies. The Royal Canadian Legion Ladies Auxiliary will be serving up a warm meal, while the staff will be serving a cool beverage.
